Steve's Foam Coat - New smoother formula!

<http://www.fxsupply.com/materials/foamcoat.html>

Great for fake rock and fake bricks. Hard, crust-like shell for expanded polystyrene (foam). Tough and hard. Can be cut and machined. Shrinks a little.

FC-8	Foam Coat, 8 oz	\$6.75
FC-16	Foam Coat, 1 pint	\$10.24
FC-32	Foam Coat, 1 quart	\$16.49
FC-128	Foam Coat, 1 gallon	\$54.95
FC-640	Foam Coat, 5 gallons	\$259.95

Steve's Foam Coat -- Fiber Glass Reinforced

<http://www.fxsupply.com/materials/foamcoat.html>

Same as the Steve's Foam Coat, but reinforced with fiberglass strands. This is very strong. In the process we lost some of the drilling and machining ability. It is also difficult to sand. Very low shrinkage. Very stable.

FG-8	Foam Coat, 8 oz	\$7.24
FG-16	Foam Coat, 1 pint	\$11.24
FG-32	Foam Coat, 1 quart	\$17.95
FG-128	Foam Coat, 1 gallon	\$59.99
FG-640	Foam Coat, 5 gallons	\$284.95

Steve's Basic Resin - Reducer

Do not use water to dilute any Steve's product. Use this instead. Use to "cut" any of the foam coats or bulking agents. Can be used to treat paper or cloth for stiffness. Dilute with water to use as a plaster additive.

SBR-8	Basic Resin, 8 oz	\$4.87
SBR-16	Basic Resin, 1 pint	\$7.49
SBR-32	Basic Resin, 1 quart	\$11.95
SBR-128	Basic Resin, 1 gallon	\$39.95
SBR-640	Basic Resin, 5 gallons	\$189.95
